

Book Fair 2018

Dear GISNY Families,

We are excited to announce our annual **Book Fair** at GISNY. It will be held from **January 8 - 12**. This year's theme: **"Safari: Wild About Reading!"** Students from ES - 7th grade will visit the book fair with their English classes, but all students are welcome to stop by during opening hours. Students in grades ES - 4th grade will bring home a "wish list" with the titles and prices of the books they are interested in buying on Monday, January 8. They will return to the book fair later in the week and may purchase the books with cash brought from home. If you attend the book fair with your child, you may pay by credit card, check or cash.

For those families new to our school, it is a wonderful way to begin or expand your library of English books at home. This year we will be using Main Street Books as our provider. They also offer an incentive program of a certain percentage of sales donated back to the school (as Scholastic did in the past) which enables us to expand our English book collection.

This exciting event is only possible with the help of parent volunteers. Please visit the GISNY website and click on the book fair picture to find the schedule and volunteer link (SignUp Genius). Please sign up for an hour (or more!). There is also a link for the schedule to check when your child will be attending.

We will also continue the tradition of a "spirit week" in the Lower School (see details below).

THANK YOU FOR YOUR SUPPORT!!
